A Fabulous Fourth Year of FUN!

Leading high needs disability support organisation, Multicap, is gearing up for the fourth year of fabulous fun Festival celebrations across the state this month including an action packed day at their Eight Mile Plains site, 303 Padstow Road, on Saturday, 31 July.

Gates open 10.30am and entry is free so come along and enjoy a sausage sizzle, pick up some bargains at the market stalls, plus there's entertainment and performances, homemade cakes, show bags, a fashion parade, workshops, and much more.

Multicap Chief Executive Officer, Joanne Jessop, said local support and awareness make a real difference to the way people living with multiple disabilities participate in community activities that many of us take for granted.

"I am excited to have the community involved with our Multicap Festival for the fourth year as it is a great day out for everyone to interact in a fun, positive, and safe environment," Ms Jessop said.

"The Festival celebrations also help increase awareness of Multicap, raise much needed funds for the people living with multiple disabilities we support, and strengthens community links with our associated sponsor organisations," she said.

Thanks must go to the MacGregor Ward and Brisbane City Council for joining us again as our Community Partner, as well as our Media Partners, Quest Community Newspapers. Without their support and that of our other sponsors the day would not be such a success!

Other exciting things are happening at Multicap too. We are excited to introduce our new brand identity! While we have a brand new look, our focus remains on our core values.

We are a high needs disability support organisation, established in 1962, providing individual, respite, family support networks, opportunities, and programs in Queensland. We create opportunity. We are champions of possibility. We inspire partnerships of support. Together we are a positive circle of support... In all ways and always.
