Family Supporting Families!

Family owned business, Lee's Bakery still support Multicap despite their family business being devastated in the January floods. During the clean up, owners Trinh and Hoang Tran were surprised to find a Multicap Wishing Well amongst the debris. A little muddy from the flooding but still filled with donations from the local community. So when the time came for Multicap collectors to pick up the Well Trinh and Hoang were delighted to present the muddy Well and show their continued support for fellow Queenslanders with high needs disabilities.
