## **Share in the magic of Christmas with Carols@Multicap**

One of Queensland's leading disability support services Multicap will be bringing in the Christmas cheer with their annual Carols@Multicap from 5.30pm on Saturday 25<sup>th</sup> of November 2017.

Multicap invites the community to join in on the free, festive fun by singing along to popular Christmas carols, enjoying a range of food to tantalise the tastebuds, as well as a very special visit from the big, red man himself – Santa!

Multicap's very own Southside Singers guarantees to have the whole family singing along and tapping their feet when they hit centre stage at the fully-accessible event. The supportive choir know how to entertain a crowd, previously performing at the State Disability Conference and for the Governor at Government House on Queensland Day.

Multicap Chief Executive Officer Joanne Jessop said the inclusive event, held at 303 Padstow Road, Eight Mile Plains, provides a fun and safe opportunity for people with disability.

"It is a fantastic opportunity for our local community to meet some of our amazing customers and join in on the festive fun," she said.

The MacGregor Lions Club, who have been long-term supporters of Multicap, will be on hand to assist with parking and selling their famous Christmas cake at the event.

Everyone is welcome. Entry and entertainment is free. A gold coin donation for parking and some activities is appreciated.
