COMMUNITY HUBS

CENTRE OF CREATIVE ARTS (COCA)

Explore your creative skills with Multicap's Centre of Creative Arts (COCA) at our Eight Mile Plains and Rockhampton Hubs.

COCA offers a range of visual, tactile and performing arts activities that give you the freedom to express your artistic talents, discover new skills and develop self-confidence.

At COCA, you are encouraged to take part in every aspect of the creative process including research, planning, performance, studio, presentation, designing, production and display. COCA customers also perform regularly and travel to community art exhibitions, competitions and events.

COME AND JOIN THE FUN

Our Community Hubs offer an inclusive environment that provide the opportunity for learning, friendship, growth and most importantly, fun!

Enjoy a wide range of social experiences and activities including sport, arts and craft, music and special activities such as trivia, discos, singing and day trips. We also offer opportunities to help you develop your skills with classes in cooking, job skills and money handling.

Our programs are flexible, so you are welcome to come along on whichever day suits you. Transport can also be negotiated depending on your personal circumstances.

Conveniently located in central areas, our Hubs also provide easy access to other Multicap services you require. The Hub is a great place to spend time before or after therapy sessions or just to spend time and catch-up with some mates.

Multicap Hubs are fully accessible and 'fit-for-purpose' facilities featuring accessible toilets, mobility aids, refreshments, kitchen facilities and access to electronic technologies such as computers, Wi-Fi and projectors.

The friendly and highly-qualified team at Multicap are on hand to help with anything you need. They have the expertise and passion for delivering experiences and programs that reflect your interests and build on your skills.

When accessing Multicap's Community Hubs you can be confident that our staff have up to date first aid and CPR training, working with children and disability services clearance and receive regular professional development support.
