

WELCOME TO

MULTICAP'S VERY OWN SOCIAL EXPERIENCE NETWORK

Life is to be truly lived and enjoyed, and Avegates is about making the most out of every day and encouraging people with disability to live their best possible life – whether that's planning a holiday, joining a sports group, or attending an event with friends – there is something for everyone at Avegates.

The programs are all about joining an exciting social club experience where you can choose from an adventurous list of real-life experiences. Sometimes challenging and always positive, we aim to build abilities while having fun.
