a MULTICAP initiative

INTRODUCING MAKEABLES

Our team of committed staff can assist you with making the manual elements of the production and distribution process simpler – we add value to your business with anything ‘makeable’ such as assembly, packing and finishing, to name just a few of the services we can provide.

Located centrally, we are close to arterial roads for ease of transport and operate from two convenient locations – Rocklea and Tingalpa.

We value relationships, and aim to develop solid business partnerships that ensure your organisational goals are continually being met through the timely delivery of our services.

We are reliable and cost-effective, with every job delivered exactly to your specifications.

HOW MAKEABLES CAN ADD VALUE TO YOUR BUSINESS

Our services are fully scalable, helping you to deliver projects faster and leverage your labour costs to maximise return on investment.

We have tackled all kinds of jobs over the years at Makeables, including but not limited to:

- **Packing** - Sorting and collating, expo and conference kits, bagging, boxing various items, re-packing, counting and weighing
- **Finishing** - Labelling, cleaning, shrink-wrapping, heat-sealing, processing mail-outs and screen-printing
